

# SKETCHES

Who said sketching is easy? Come and experience the technicalities required to replicate something which looks nothing but ordinary at the first glance. Tip: only your attention to detail can allow you to ace at this event!

*Individual task.*

## Event guidelines:

- Only individual participants will be entertained.
- Event duration is 3 hours.
- Drawing boards are to be brought by the participants
- Participants are required to replicate the sample provided to them.
- The participants are supposed to bring their own stationary (pencils, charcoal, erasers and sharpeners).
- Avoidance of coloured mediums (pencil colours, pastels, etc.) is desired to ensure uniformity amongst the participants.

## General rules:

- Participants are required to complete their work within their given time.
- No extra time would be given.
- Electronic devices are allowed.
- Management will not be responsible for providing any extra material.
- Management will not be held responsible for any loss in belongings.
- The event will be divided into two categories to cater O-Levels/Matric students (junior category) as well as A-levels/F.A/F.S.C students (senior category).
- Contravention of any rules will result in disqualification of the team and their work.

## Awards:

### Junior Category:

- Winner
- Runner-up

### Senior Category:

- Winner
- Runner-up

## Judgement criteria:

- Finesse.
- Resemblance to the sample provided.
- Techniques displayed.
- Tidiness.
- Clarity of work.
